MARINE SECURITY SYSTEM PRICE LIST

(until 31st December 2007)

| Description | Price (inc VAT) |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|
| <p>Complete Wireless Text Alert Alarm System</p> <p>Mobile Alarm System Unit Pay As You Go SIM Card 1 Wireless PIR Sensor 1 Wireless Shock Door/Window Sensor 1 Digital Input 1 Alarm Output 1 Wireless Arm/Disarm Keyfob 4 SMS Text Messages to up to 4 Mobile phones PC Configuration Software RS232 Computer Communications Cable Low Battery Voltage Monitor</p>  | <p>£395.00</p> |
| <p>Additional Wireless PIR Sensor</p> <p>No wiring Required, Connects to Wireless Alarm system</p>  | <p>£44.00</p> |
| <p>Additional Wireless Shock Sensor</p> <p>No Wiring Required, Connects to Wireless Alarm system</p>  | <p>£35.00</p> |
| <p>Additional Wireless Keyfob</p> <p>Up to 4 can be used with the Wireless Alarm system</p>  | <p>£20.00</p> |
| <p>Standard Text Alert Alarm Unit</p> <p>Mobile Alarm System Pay As You Go SIM Card 1 Alarm Output 4 SMS Text Messages to up to 4 Mobile phones PC Configuration Software RS232 Computer Communications Cable Low Battery Voltage Monitor</p>  | <p>£395.00</p> |
| <p>Standard PIR Sensor</p> <p>Standard PIR unit for a wired system</p>  | <p>£40.00</p> |
| <p>Door Contact</p> <p>White finish magnetic door contact</p>  | <p>£6.50</p> |
| <p>Expanded Functionality for Text Alert unit</p> <p>Adds 4 Analogue/Digital Inputs to a Wireless Text Alert Or 6 Analogue/Digital Inputs to a Standard Text Alert Adds 3 Relay Digital Outputs</p> | <p>£55.00</p> |

Further Accessories Overleaf...

| Accessories | Price (inc VAT) |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------|
| <p>Bilge Water Level Switch</p> <p>Single pole changeover contacts. Can switch bilge pump directly or interface with the Text Alert system</p>  | £35.00 |
| <p>External Sounder / Beacon</p> <p>100dBa output at 1 metre with strobe effect 12Vdc. Sealed to IP65. 93mm (dia) x 92mm(h)</p>  | £79.00 |
| <p>Pressure Mat</p> <p>Pre-wired 4 cores 2 N/O circuits (520 x 400mm)</p> | £23.50 |
| <p>Smoke Detector</p>  | £69.00 |
| <p>LPG Gas Detector</p>  | £121.00 |
| <p>Carbon Monoxide Detector</p>  | £127.00 |
| <p>Carbon Dioxide (CO2) Detector</p>  | £323.00 |
| <p>Air Temperature Sensor</p> <p>4-20mA Output, -10 to +50°C range (others available) Compatible with expanded Text Alert analogue inputs</p>  | £81.00 |
| <p>Mains Relay Box with 1 Relay fitted (Up to 4 can be fitted)</p> <p>Used for switching voltages greater than 125Vac and currents greater than 0.5A. Max Rating 10A @ 240V ac, 30V dc</p>  | £23.50 Box + 1 Relay |
| <p>Additional Relays</p> | £12.00 ea |
| <p>Mains Power Adaptor</p> <p>Universal Mains Voltage</p>  | £23.50 |
| <p>Carriage</p> <p>Standard Delivery (Next Working Day) Next Day AM or Saturday Delivery</p> | £11.50 £17.50 |
